Subject SPRU Meeting

All,

We are holding a meeting at Region 2 on the status and next steps of the SPRU order with DOE, today at 3PM. The meeting is in preparation for a briefing with our RA. We also want to set up a call between the Region and HQ.

I'll be sending a meeting invite to explore the option of combining both meetings today. In case this doesn't work, given the short notice, we'll explore scheduling the meeting between the Region and HQ's for another mutually convenient time.

Thanks,

ariel
